

## IZAAK WALTON LEAGUE OF AMERICA

TO: Scott Kovarovics, Jeff Deschamps, Executive Board, National Directors, Directors-At-Large, Regional Governors, Division Presidents, Past National Presidents

FROM: Mary Rubin, Director of Member Programs

RE: February 2017 IWLA Membership Summary

CC: Senior Management Team, Membership Staff

DATE: March 7, 2017

Noted below are: 1) current numbers for February 2017, 2) action items and, 3) other need-to-know information. Please review each item and take action where indicated.

### Member Statistic

- **Total Member Count:** 30,512 (up 31.50% from last month and up 5.30% from February 2016)
- **Chapter number:** 28,601 (up 34.28% from last month and up 5.69% from February 2016)
- **Non-Chapter number:** 1,911 (up 0.36% from last month and down 0.26% from February 2016)

### Action Items

- All chapters should have sent out both their first and second billings a number of months ago and be making significant progress toward finishing up the bulk of their dues collection for the year. However, if you review the “unpaid” column you will see that a number of chapters have significant, if not entire, portions of their members not yet paid for 2017—note the chapters with “zeroes” in the 2/28/17 “paid” column or large numbers in the “unpaid” column. Once again, we’d like each national director to contact your chapters and ask if they need assistance and report back to us on your findings as some seem to have made little, if any, progress on dues collection.
- Beginning later this month and in early April, we will issue a third billing for any chapter that would like one. The chapter just needs to call or email Maia to let us know and we’ll get it right out.

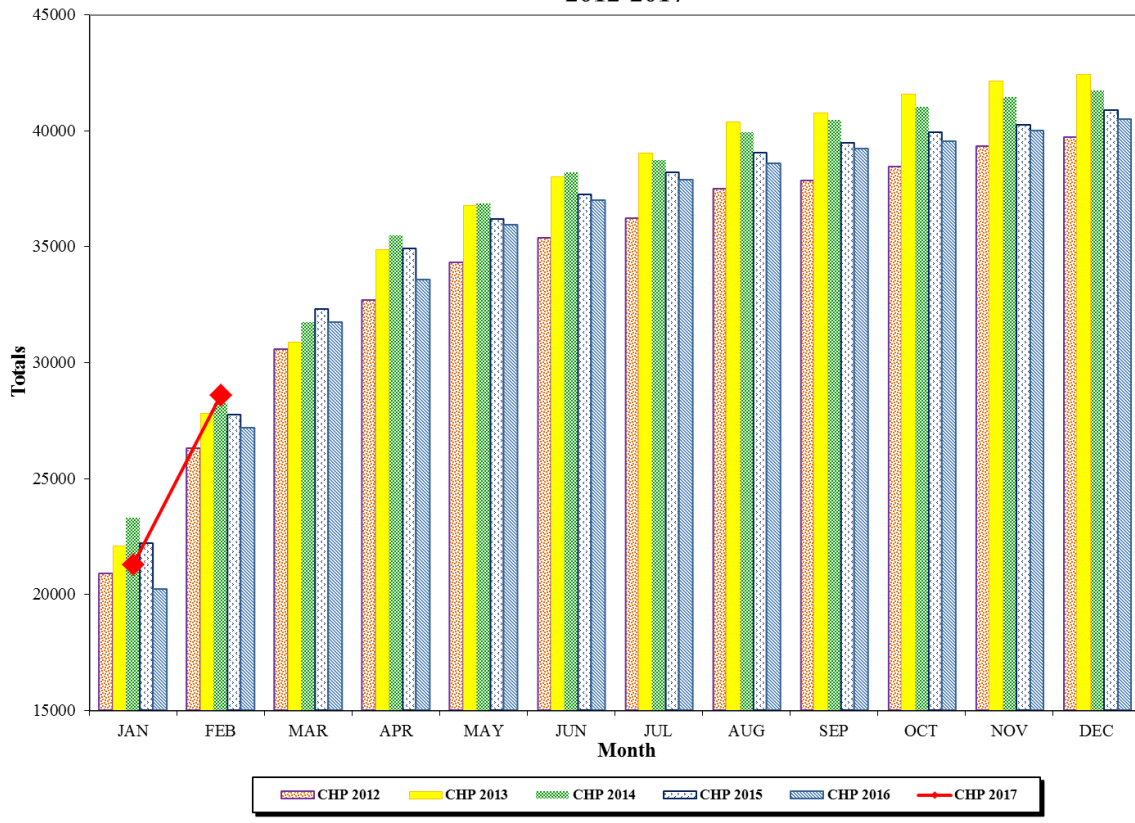

## **Awards/Other Information**

- The new, online National Directory is now “live” on the League’s web site. Data is real time and up-to-the minute—changes to officers, phone numbers, emails, etc. are all instantly reflected. No more out-of-date directories!

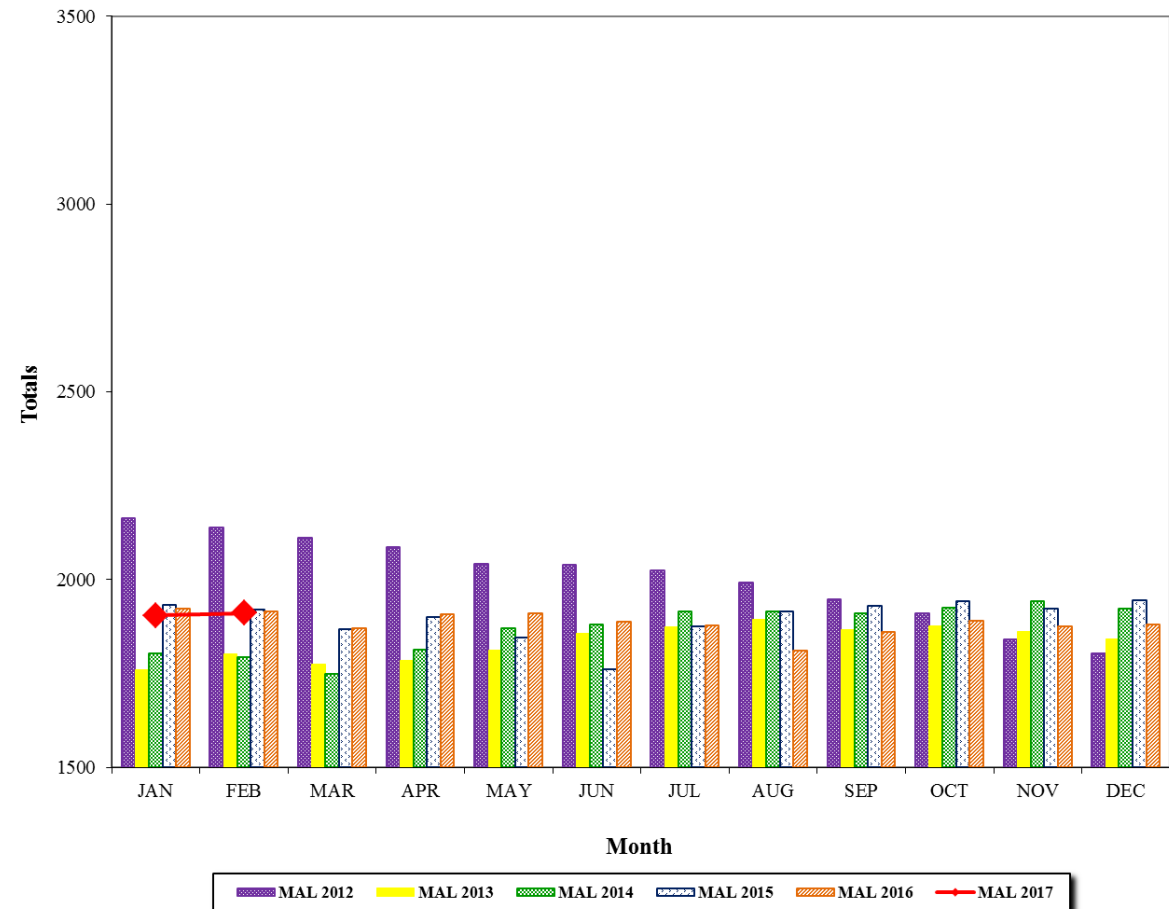

You may download and print the full document or sections of it as needed but we will no longer be printing and mailing hard copies. All current chapter and division officers, national board members, and committee members have access to the directory in the secure area of the web site—you’ll need to login with your username and password. If you missed the presentation at the midwinter meeting or one of our live webinars, we recorded a “how to” session that highlights the various features and shows you how to access them. The recording is available through a link on the “chapter resources” page or via our YouTube channel: <https://youtu.be/S3k8Kkrfslc>.

- The deadline for both the Judge John W. Tobin Chapter Volunteer Appreciation and Defenders Chapter Achievement Awards is March 15, 2017! Please reach out to your chapters to remind them of this opportunity to recognize that special Ike working hard in the chapter with a Tobin Award. Also, consider the chapter’s work for the League and in their community that could be recognized with the annual Defenders Award.
- The application deadline for the 2017 IWLA National Conservation Scholarship is fast approaching. Do you know a college student studying conservation or an environment-related major? Made possible through the generous support of the Izaak Walton League of America Endowment, the League offers two \$2,500 scholarships each year for qualified college juniors or seniors. Specific requirements are available online at [www.iwla.org/scholarship](http://www.iwla.org/scholarship). Applications are due May 15, 2017. For more information about the application criteria and process, e-mail Earl Hower, Director of Chapter Relations at [ehower@iwla.org](mailto:ehower@iwla.org) , or call (800) IKE-LINE, ext. 216.

# How to Read the Membership Report

## Izaak Walton League Membership Activity 01/01/14 - 01/31/14

Number of active, paid members as of the end of this month. This number will gradually grow, month by month, as late renewals and/or new members are processed. This number can be compared to the year end total in the prior column to see how the chapter is doing in relation to how they ended the previous year.

Time period covered by the report—reports are a month-by-month snapshot in time of that particular month.
