**Meet at:** Youghiogheny Canoe Outfitters

Here's your chance to help clean up the hundreds of tires that have been polluting the Yough River and destroying its beauty for years. Join us for a cleanup of the Yough River to remove the tires and other trash that ruin our river.

Volunteers will collect tires out of the river as they canoe from Cedar Creek Park to West Newton. Canoes and transportation to the Cedar Creek Boat Launch will be provided for free by the Youghiogheny Canoe Outfitters. Paddlers with their own canoe are welcomed to join us. Lunch and refreshments will be provided for all volunteers after the trip.
